Year 2017

In the following pages a set of tables presents the quantitative information that the Company must provide in compliance with article 84-quater of Consob's Issuers Regulation nr. 11971.

In such regards, please note that the information requested at Section I and at the First Part of Section II of the Compensation Report, to be prepared in compliance with Attachment 3A, Schedule 7-bis of the above mentioned Regulation, is contained in the Annual Compensation Report, published within the Group Compensation Policy, of which this document represents an enclosure.

The following set of tables provides in particular the information foreseen by the Second Part of the above mentioned Section II.

For a deeper understanding of the methodological criteria underlying the information reported in the various tables, reference is made to Annex 3A of the said Consob Regulation.

Here below a brief information on the contents of the various tables is reported:

TABLE 1: Compensation paid to Members of the administrative and auditing bodies, to General Managers and to other Executives with strategic responsibilities

Provides, at an individual level and on an accrual basis, the details of the compensation paid to the members of the Board of Directors, Board of Statutory Auditors and General Managers. It also provides at an individual level the compensation paid to the Head of Strategy Business Development and M&A, being that higher than the highest one paid to anyone of the above mentioned subjects.

For the other Executives with strategic responsibilities, the information is provided on an aggregate basis. Please note that the related perimeter - defined by the Board of Directors - has changed during the year. Up to March 31st, 2017 the other Executives with strategic responsibilities were - additionally to the Group Chief Executive Officer and the Group General Manager, the Group Chief Risk Officer, the Head of Group Human Capital, the Group Compliance Officer, the Head of Group Legal, the co-Chief Operating Officers, the Head of Internal Audit and the Head of Strategy, Business Development e M&A. From April 1st, 2017 the Head of Strategy, Business Development and M&A exited the perimeter, while on October 1st, 2017 a succession occurred in the position of Group Chief Risk Officer and the new role of Chief Lending Officer was included. The related data are reported pro quota and, for comparability purposes, correspond to 7.25 Full Time Equivalent (FTE).

The overall compensation paid by UniCredit S.p.A. for 2017 to the Board of Directors and to the Board of Statutory Auditors amounts respectively to € 4,851,185 and € 711,850 .

The "Fair value of equity compensation" (column 7) does not represent a value actually paid to/gained by the beneficiaries of equity plans, being instead the cost that the Company is booking - on an accrual basis and during the vesting period - in consideration of the provision of incentives based on financial instruments. More details on such plans are provided at the following Table 2 and Table 3A.

TABLE 2: Stock Options assigned to the Members of the administrative body, to General Managers and other Executives with strategic responsibilities

Neither the non-executive members of the Board of Directors, nor the members of the Board of Statutory Auditors benefit from any incentive plan, be it based on financial instruments or cash.

Only some Executives with strategic responsibilities benefit from stock option/performance stock options plans launched by the Company in the previous years.

The Stock Options 2007 lapsed having ended their exercise period.

The rights granted within plans launched before 2007 to managers terminated during the year, lapsed according to the respective Rules. At current prices, all outstanding stock options are largely out of the money.

TABLE 3A: Incentive plans based on financial instruments other than stock options, in favor of Members of the administrative body, General Managers and other Executives with strategic responsibilities

The table reports the number of shares promised and/or granted in connection with short / long term incentive systems.

With reference to the Group Incentive Systems, the table reports the shares granted/promised in relation to equity deferrals, subject to malus and claw-back clauses. For the plans' features reference is made to the description contained in the Compensation Report.

Please note that for both the Chief Executive Officer and the General Manager, the 2017-2019 LTI Plan, linked to the Transform 2019 strategic plan, represents the sole incentive tool over the plan horizon, while for other two Executives it represents 50% of the annual bonus opportunity, which is then correspondingly reduced.

TABLE 3B: Monetary incentive plans in favor of members of the administrative body, general managers and other executives with strategic responsibilities

Provides the details of all the cash incentives accrued and/or paid during the year in favor of the Chief Executive Officer, General Manager and other Executives with strategic responsibilities. Neither the non-executive members of the Board of Directors, nor the Statutory Auditors receive any variable compensation.

As already mentioned, neither the Chief Executive Officer nor the General Manager participated into the 2017 annual incentive scheme.

The positive performance achieved in 2017 allowed the full payout of the deferred amounts which were subject to verification of access conditions as at December 31st, 2017.

Information on the investments held by the members of the administrative and auditing bodies, by general managers and by other executives with strategic responsibilities

Table 1 and Table 2, drafted in compliance with schedule 7-ter, provide the shareholdings in UniCredit or its controlled/ associated companies held, respectively, by the members of the administrative / auditing bodies and by the General Manager as well as by other Executives with strategic responsibilities.

Ownerships at the start of period have been rectified to take into account the reverse split operation, in the measure of 10 to 1, enacted on January 23, 2017.
