Scope of Review

We conducted our review in accordance with National Standard on Review Engagements 2410 consistent with International Standard on Review Engagements 2410 *Review of Interim Information Performed by the Independent Auditor of the Entity* adopted by the National Council of Statutory Auditors' resolution No. 2041/37a/2018 of March 5, 2018. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than audit conducted in accordance with National Standards on Auditing consistent with International Standards on Auditing adopted by the National Council of Statutory Auditors' resolution No. 2041/37a/2018 of March 5, 2018, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard 34 *Interim Financial Reporting* published in the form of European Commission regulations.

Emphasis of Matter

Without qualifying our opinion on these interim condensed financial statement as at 30 June 2018, we draw attention the fact that current (short-term) liabilities recognized in that statement exceeded current (short-term) assets by the amount of PLN 409 million. The Company's loan liabilities, due on 28 November 2018, amounted to PLN 212 million. The Company's liabilities towards bondholders, due on 3 of December 2018, amounted to PLN 44.9 million. The Company's liability due to the acquisition of shares in Prohuman 2004 Kft., due on 30 September 2018, amounted to PLN 78.5 million. The Management Board of the Company, in Note 1.2. of the interim condensed report, presented information on the difficult financial situation of the Company and described activities undertaken in order to improve this situation. Security of financing and the ability of the Company to continue as a going concern hinges on the success of these activities.
