2022 Group Incentive System

The adoption of the 2022 Group Incentive System, which, as required by national and international Regulatory Authorities, provides for the allocation of an incentive - in cash and/or in equity instruments - will be submitted to the Shareholders' Meeting. This is subject to the achievement of specific performance conditions over a multi-year period, granted to a selected group of UniCredit Group employees.

Amendment to Group incentive systems based on financial instruments. Consequent and inherent Resolutions

The Shareholders' Meeting will be asked to make some amendments to certain past Compensation Plans in order to envisage that UniCredit shares to be assigned to the beneficiaries of such Compensation Plans may result, alternatively or in combination, from capital increase or the use of treasury shares purchased for this purpose on the market by UniCredit, subject to obtaining the necessary authorisations.

PROPOSALS TO BE SUBMITTED TO THE EXTRAORDINARY SHAREHOLDER MEETING

Amendments to clause 6 of the Articles of Association. Consequent and inherent resolutions

The Shareholders' Meeting will be asked to make certain amendments to Article 6 of the Articles of Association that are necessary to make the provisions of the Articles of Association consistent with the actual state of implementation of the incentive plans.

Amendments to clauses 20, 29 and 30 of the Articles of Association

The proposed amendments to clauses 20 and 30 aim at aligning the text of the Articles of Association with the current regulatory framework regarding the requirements and suitability criteria for Directors and Statutory Auditors, as resulting from Decree no.169 of 23 November 2020 of the Ministry of Economy and Finance and the current self-regulatory provisions for listed companies. The proposed changes to clause 29 are aimed at adapting the provisions on representation and signing powers to the current operational

needs of the Company extending to other top managers of the same the possibility of carrying out binding acts with a single signature. To that regard, please refer to the relevant Directors' Report, which will be published within the time limits provided by the current legislation also on the Company's website www.unicredigroup.eu.

Cancellation of treasury shares with no reduction of share capital; consequent amendment to clause 5 of the Articles of Association. Consequent and inherent resolutions

The Shareholders' Meeting will be requested to cancel the treasury shares that will be purchased under the above authorisation referred to in item no. 4 of the agenda of the Ordinary Shareholders' Meeting, for this purpose granting the Board of Directors with the power to carry out such cancellation.

Taking into account that UniCredit's ordinary shares have no nominal value, the cancellation will be carried out with no reduction of the nominal value of UniCredit's share capital and will be carried out solely by reducing the number of existing shares, with a consequent increase of their accounting par value. The Shareholders' Meeting will be requested to approve the amendments to clause 5 of the Articles of Association which are necessary to implement the above-mentioned resolution.

The Notice of call will be published within the terms and conditions provided for by current law provisions

Please note that the Company - in accordance with the provisions of Article 106 of Law Decree no. 18/2020 converted into Law no. 27/2020 ("Decree") and amended by Law Decree no. 228/2021 - has decided to make use of the right to provide that the Shareholders' attendance at the Shareholders' Meeting shall be made exclusively through the Company-Designated Proxy Holder pursuant to Article 135-undecies of Legislative Decree no. 58/98, without physical participation by the shareholders.

Finally, please note that in compliance with the provisions of the Bank of Italy Circular no. 285/2013 on the corporate governance of banks, in May 2021 the assessment of the correspondence between the composition of the Board of Directors – appointed by the Shareholders' Meeting of 15 April 2021 – and the qualitative and quantitative composition deemed to be optimal, as identified in March 2021 in the run-up of the renewal of the body, was carried out with a positive outcome.
