Auditor's Responsibilities

Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the National Standard on Review 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of the interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with the National Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on these interim financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements of Polskie Górnictwo Naftowe i Gazownictwo S.A. for the six-month period ended 30 June 2022 are not prepared, in all material respects, in accordance with IAS 34.
