Kamil is a graduate of the Warsaw School of Economics with a Masters Degree in Finance and Banking having specialized in Investment Banking. He also received additional training in Mathematical Finance at the University of Konstanz, Germany and Information Technology at Warsaw University which has complemented his formal education in finance and sparked his interest in new technologies. Since graduating he has continued to increase his knowledge and expertise and has completed a number of courses relevant to capital markets.

Kamil began his professional career at Deutsche Bank Securities in Equity Capital Markets before shifting to Equity Sales. Kamil moved to ING Investment Management as an Equity Trader & Analyst where he got his first exposure to the buy-side and institutional investing as a voting member of the investment committee. Kamil moved back to the sell-side at PKO BP Securities in Equity Sales & Trading before eventually moving to BZ WBK Securities. Kamil just recently finished his six year tenure at BZ WBK as Executive Director in Equity Sales.

Kamil has extensive experience in cash equity execution and has also been a part of numerous ECM transactions including IPO/SPO, rights issues, and tender offers.

Kamil is a licensed Polish stockbroker with a deep and broad knowledge of equity markets.
