EXTRAORDINARY ANNOUNCEMENT

pursuant to the Capital Market Act and to decree No. 24/2008 (VIII. 15.) of the Minister of Finance

ENEFI Energy Efficiency Plc. (“Company”) hereby informs its Honourable Investors on the basis of the information received from the Romanian operation about the following:

The Romanian tribunal rejected the appeal filed by the Financial Authority thus the previous decision of Court of Târgu Mures, approving the objection of the Company against the executory order issued for the claim of RON 7.6 million against the Company the second time in 2017, has become final and effective.

(Since the court of justice finally ordered the annulation of the executory order issued in 2013 in relation with the objection of ENEFI, the Romanian Financial Authority issued a new executory order in 2017 in which it informs that they according to their opinion the aforementioned court decision only annulled the previous executory order therefore there is no objection to issuing a (with the same content but newly issued) executory order.
