

Supplement to the notice of call to the ordinary general shareholders' meeting of Banco Santander, S.A.

This document constitutes a supplement to the notice of call to the ordinary general shareholders' meeting of Banco Santander, S.A. (the "**Company**") to be held in Santander, at the Palacio de Exposiciones y Congresos (Avenida del Racing, s/n), on 12 April 2019 at 9:30 a.m., on second call, in the event that, due to failure to reach the required quorum, such meeting cannot be held on first call, which has been also convened to be held at the same place and time on 11 April 2019 as announced on 4 March 2019 by way of the corresponding public notices.

The Company is organised and exists under Spanish law. Accordingly, the rights and obligations of the Company's shareholders as well as the holding of and the participation in the general shareholders' meeting are regulated by Spanish corporate law. Under Spanish law, only shareholders that are registered as holders of shares at least five days prior to the general shareholders' meeting may participate in such meetings and exercise their voting rights.

This supplement is directed exclusively to the investors holding shares in the Company through the Polish National Depository of Securities (*Krajowy Depozyt Papierów Wartościowych*) (the "**NDS**") with the intermediation of Euroclear Bank SA/NV ("**Euroclear**") (the "**Polish Investors**"). Euroclear's link with the Spanish depository, Iberclear, operates via the services of a participant in Iberclear, through which Euroclear (through its subsidiary, E.C. Nominees Limited ("**Euroclear Nominees**")) holds shares in the Iberclear system for the Polish Investors.

Due to the fact that Euroclear Nominees is the registered holder of the shares in the Company for the benefit of the Polish Investors, such investors will only be able to enforce the rights attached to the shares to the extent of, and pursuant to, the terms and conditions of the arrangements among Euroclear, Euroclear Nominees, the NDS and the relevant Polish depository investment firms, and, as a result of certain aspects of Spanish law that govern the shares, will not be able to directly enforce or exercise those rights. However, such rights may be exercised through the NDS and, consequently, Euroclear. Given the above, the exercise by the Polish Investors of their rights to participate in and vote at the general shareholders' meeting will differ from the exercise of such rights by the investors holding the shares in the Company directly via Iberclear system.

The information included in this document that relates to certain procedures specifically applicable to Polish Investors is based exclusively on the information provided to the Company by the Polish NDS.

Polish Investors are encouraged to contact in advance the respective NDS participants maintaining their securities accounts in order to obtain detailed information related to the participation in and voting at the general shareholders' meeting, including in particular the ultimate deadline by which each Polish Investor may exercise his/her voting rights and the relevant documents or data that need to be provided by such Polish Investor.

I. Participation in and voting at the ordinary general shareholders' meeting of the Polish Investors

1. General remarks

The Polish Investors may participate in and vote at the ordinary general shareholders' meeting by way of: (i) personal voting by proxy; or (ii) the issuance of voting instructions pursuant to the rules of the Euroclear system, as supplemented by the terms and conditions governing the relationship between the investors and the depository investment firms operating their securities accounts.

The right to exercise the above-mentioned rights at the general shareholders' meeting by the Polish Investors will be established on the basis of the balance of their securities accounts maintained by the respective investment firms (the NDS participants) five days prior to the meeting, including all of the transactions that have been settled up to such date (inclusive).

In order to be able to duly exercise the above rights at the general shareholders' meeting, the Polish Investors will be provided with the relevant information and documentation by the investment firms (the NDS participants) that maintain their securities accounts, and they should contact such investment firms in case of any queries with regard to their rights.

2. Personal voting by proxy

Personal voting by the Polish Investors at the general shareholders' meeting implies attending the meeting in person and will require Euroclear Nominees, as the registered shareholder of the Company, to issue powers of attorney in favour of the Polish Investors or in favour of the person expressly designated thereby. Such proxy-holder may freely vote by attending the general shareholders' meeting in person. To that end, a Polish Investor should declare to its investment firm the willingness to attend the meeting and vote in person and such information should be transferred by the investment firm to the NDS and consequently to Euroclear. Then, Euroclear Nominees must grant such powers of attorney and deliver them to the Company within the applicable deadline determined by the Company. The data that should be provided by the Polish Investor wishing to attend the meeting and vote in person will be determined by Euroclear and delivered to the Polish Investor by the NDS with the intermediation of the NDS participants.

3. Voting by instructions

The Polish Investors who wish to vote by instruction should give their voting instructions with regard to the general shareholders' meeting to the NDS participants operating the securities accounts in which such investors' shares are registered, and such NDS participants will then deliver the instructions to the NDS. Subsequently, the NDS will deliver the voting instructions to Euroclear, which, through Euroclear Nominees, the registered holder of the shares in the Company, will vote at the general shareholders' meeting pursuant to the instructions received from the Polish Investors. The form of the instructions will be provided to the Polish Investors by their investment firm.

Voting by instruction will not require the disclosure of the relevant Polish Investor's personal data to the Company.
