

DR. VADÁSZ ANDRÁS

Lawyer.

I was born in 1971, in Budapest. I graduated from the Eötvös Loránd University, Faculty of Law and Political Science as a jurist in 1998. I wrote my thesis about the Hungarian Pension Funds System.

I have always been interested in the financial and corporate law.

After finishing the university, I worked as a candidate lawyer at a legal office. I learned about how the legal system of the firms and other participants of the economy works.

In 2002 I started my own legal office and I have gained 20 years of experience in company law, litigation, liquidation processes and real estate cases.

I am familiar with the new electronic administration systems which are more and more widespread in national and international business and legal life.
