

Fortuna Entertainment Group N.V. signs Playtech contract

Amsterdam – Fortuna Entertainment Group N.V. (further „FEG“ or „the Company“), announces that it has signed a contract with Playtech (LSE: PTEC) for the supply of a multi-channel betting and gaming platform.

Playtech is the world's leading multi-channel gambling software supplier offering cutting-edge solutions to the industry's leading operators. The Playtech platform will provide Fortuna with the necessary tools to accelerate the Company's strategy implementation such as a Fortuna-customised and scalable multi-channel solution with respect to seamless wallet technology, Sports book, Gaming and CRM.

Per Widerström, Fortuna's CEO commented on the partnership: *“Fortuna's ambition is to become the leading regulated multi-channel and -product operator in the CEE region. The Playtech platform, being customised for Fortuna's needs, will enable us to offer a market leading scalable multi-channel, -product and -jurisdiction offering. Partnering with Playtech, will also help us when it comes to further potential territorial and product expansion.”*

Mor Weizer, Playtech's CEO commented on the partnership: *“Having so successfully launched the Fortuna brand in Romania, Playtech is delighted to be announcing the partnership with the Fortuna Entertainment Group with respect to Czech Republic, Poland and Slovakia as well as future potential new regulated markets. Fortuna is the leading regulated multi-channel and -product operator in Central and Eastern Europe and we are looking forward to working with the team to take Fortuna's growth to the next level.”*
